

Donations Analysis Toronto Municipal Election 2000

Candidates by Ward

DATA FIELDS	DESCRIPTION
Ward	Ward Number
Name	Ward Name
Candidate	Winning Candidate
Votes	Votes Received
No. of Citizen Donations	Number of contributions from citizens
No. of Business Donations	Number of contributions from business
Citizen Donations	Amount of contributions received from donors with first and last name
Business Donations	Amount of contributions from business, including donations from affiliated citizens
Percent Citizens	Percent of Citizen Donations
Percent Business	Percent of Business Donations
Total Campaign Income	Sum of Citizen and Business Donations including other income and candidate surplus from previous elections
Expense Above the Line	Expenses on the Election Campaign subject to the Ward spending limit as specified by the City Clerk
Expense Below the Line	Expense during the Campaign Period (from the time the candidate entered the race until the end of the election year) not subject to above spending limitation
Surplus to 2003 Campaign	Excess of Income over Expenses returned to the City for use by the candidate in subsequent elections.
Donor out-of-pocket Cost	Donor out-of-pocket cost, 25% of amount contributed to this campaign, not subject to tax credit.
Cost to City of 75% tax credit	City Cost of providing 75% tax credit on Donations contributed to this campaign

Donations from corporations and individuals are consolidated and summarized based on donor address and surface knowledge of direct and indirect affiliations in each case. There is no representation made as to accuracy or completeness in the identification of any or all affiliations. Neither is there any representation or implication that summarized donations presented constitute "related entities" under the Municipal Elections Act.
